Diversity

Equity

Inclusion

We were able to hear about the policies and experiences of the Governor, Mr. Suzuki. Thank you very much for sharing your precious time.

● Club Forum Activity Report

<< We exchanged opinions on disposable masks (the problem of marine pollution caused by plastic waste) >>

A question was raised about the rapidly increasing amount of mask waste due to the coronavirus pandemic. Surgical masks are a source of plastic waste. Is it really appropriate to accept disposable masks as common sense? Can medical waste be a sanctuary for plastic waste? We will continue to discuss the plastic waste problem in the future.
